entitled *Liquid Composition Polymerizable Into  
Organic Glasses Having Good Optical and Physico-  
Mechanical Properties*  
Our Reference GL-01-8

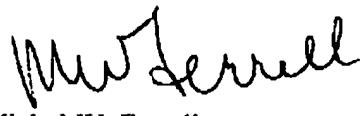

Dear Examiner Acquah:

An *Amendment and Request for Reconsideration* and *Appendices A, B and C* were mailed by First Class Mail to the USPTO on December 18, 2001. Upon review of these papers, it was noticed that *Appendix B*, i.e., marked-up version of the claims, was, in fact, not a marked-up version but a "clean version". We are, herewith, faxing the *entire Amendment and Request for Reconsideration*, together with the revised *Appendices A* and *B* and also including *Appendix C*. Both *Appendices A* and *B* also did not include the reference to Claim 25 in the heading.

Please disregard the *Amendment and Request for Reconsideration* and *Appendices A, B and C* versions mailed via First Class Mail on December 18, 2001.

Thank you in advance.

Sincerely,

  
Michel W. Ferrell
